Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Monday 02 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunshine and showers developing Monday, especially later.

Today:
Monday looks set to start dry with bright or sunny spells and winds remaining light. Increasing chance of showers developing through the afternoon. Heavier showers possible in the evening, which will be slow-moving. Maximum temperature 21 deg C (70 deg F).

Tonight:
Evening showers may be slow to die out with largely cloudy skies persisting. Isolated showers might continue. Clear spells most likely after midnight across northern and eastern parts. Light winds. Minimum temperature 11 deg C (52 deg F).

Tuesday:
Some brightness in the morning with isolated showers. By the afternoon some sharp and slow-moving showers developing, with possible thunder. Some parts staying dry with sunny spells. Light winds. Maximum temperature 21 deg C (70 deg F).

Outlook for Wednesday to Friday:
An unsettled spell of weather with some clear or sunny spells and heavy showers developing each day, with torrential downpours likely to affect some areas, perhaps more especially during Thursday.
